

Public Hearing
March 26, 2018 @7:00 PM
Westport Community Building

The Westport Town Council met for a Public Hearing at Westport Community Building, with the following present; Bryan Gatewood, President, Richard Smith, Joyce Brindley, Ronda Bartlett, Mark Taylor, Jay Maddux, Jodi Coomer with SIRPC as well as four representatives from Commonwealth Engineers. Bryan Gatewood called the meeting to order.

Jodi Cooner with SIRPC opened with a brief presentation about the grant followed by a presentation from Commonwealth Engineers. Vince Sommers, Vice President of Commonwealth talked about the OCRA Planning Grant, funding and the project schedule. Rachel Runge, Project Engineer talked about Phase 1 and @ on the project construction cost estimate. Kendra Harding, Engineer Intern talked about the recommended improvements of the Water Plant and water quality improvements. Roger Kottowski, Project Engineer talked about the initial repairs to prevent immediate failure to the dam, safety signage to increase awareness and reduce liability and Phase 2, recommended removal of existing dam when funding is available.

The floor was then opened up for questions.

With nothing further, Joyce made a motion to close the meeting, Richard seconded the motion.

Bryan Gatewood, President

Richard Smith, Councilman
Joyce Brindley
